

## **Rakesh Mohan Joins The AZEK Company As Chief Digital & Technology Officer**

**CHICAGO, Ill., October 21, 2024** – [The AZEK Company Inc.](#) (NYSE: AZEK) ("AZEK" or the "Company"), the industry-leading manufacturer of beautiful, low-maintenance and environmentally sustainable outdoor living products, including TimberTech® Decking and Railing, Versatex® and AZEK Trim®, and StruXure® pergolas, has appointed Rakesh Mohan as the Company's Chief Digital & Technology Officer (CDTO). As a member of AZEK's leadership team, Mohan will lead the advancement of the Company's technology capabilities, driving value and innovation through the development and execution of a forward-thinking digital and IT strategy.

"I am thrilled to join The AZEK Company as the new Chief Digital & Technology Officer. Throughout my career, I have been passionate about leveraging technologies to create efficiencies, enhance performance and elevate the customer experience," Mohan said. "I am excited to bring this experience to The AZEK Company, where the innovative mindset is embedded in the culture. Together, we will continue to differentiate ourselves as the leader in the industry."

Mohan brings more than 25 years of experience in digital transformation, leading strategic technology initiatives to optimize manufacturing processes and enhance the consumer journey. Most recently, Mohan served as Chief Information Officer and Vice President, IT of Home Comfort Solutions, a business of Lennox International, where he transformed supply chain systems, implemented an IT operating model and standardized operating systems across the value chain, and developed and led omni-channel digital initiatives to improve the customer journey. Prior to Lennox, Mohan worked at Colfax, Flowserve and Samsung in progressive IT roles.

"Rakesh brings a wealth of experience in accelerating digital transformation in both internal and external growth initiatives. His forward-looking approach and proven track record in delivering business value will be instrumental in driving AZEK's growth and differentiation in the market," Jesse Singh, CEO of The AZEK Company said. "We are confident that under Rakesh's leadership, our commitment to innovation and continuous improvement will be further strengthened, delivering even greater value to our customers."

### **About The AZEK® Company**

The AZEK Company Inc. (NYSE: AZEK) is the industry-leading designer and manufacturer of beautiful, low maintenance and environmentally sustainable outdoor living products, including TimberTech® Decking and Railing, Versatex® and AZEK® Trim, and StruXure® pergolas. Consistently awarded and recognized as the market leader in innovation, quality, aesthetics and sustainability, our products are made from up to 85% recycled material and primarily replace wood on the outside of homes, providing a long-lasting, ecofriendly, and stylish solution to consumers. Leveraging the talents of its approximately 2,000 employees and the strength of relationships across its value chain, The AZEK Company is committed to accelerating the use of recycled material in the manufacturing of its innovative products, keeping hundreds of millions of pounds of waste and scrap out of landfills each year, and revolutionizing the industry to create a more sustainable future. The AZEK Company has recently been named one of America's Climate Leaders by USA Today, a Top Workplace by the Chicago Tribune and U.S. News and World Report, and a winner of the 2024 Real Leaders® Impact Awards. Headquartered in Chicago, Illinois, the company operates manufacturing and recycling facilities in Ohio, Pennsylvania, Idaho, Georgia,

Nevada, New Jersey, Michigan, Minnesota and Texas. For additional information, [azekco.com](http://azekco.com).
