

TimberTech Advanced PVC Decking Named a Winner in Good Housekeeping's 2025 Home Renovation Awards

CHICAGO—October 16, 2024 (BUSINESS WIRE)-- [The AZEK Company Inc.](#) (NYSE: AZEK) ("AZEK" or the "Company"), the industry-leading manufacturer of beautiful, low-maintenance and environmentally sustainable outdoor living products, including TimberTech® Decking and Railing, Versatex® and AZEK® Trim, and StruXure® pergolas, today announced that its TimberTech Advanced PVC Decking Vintage Collection® has been honored with Good Housekeeping's 2025 Home Reno Award in the Sustainability Innovators category. The full list of award

winners can be found on [GoodHousekeeping.com](https://www.GoodHousekeeping.com).

The TimberTech Advanced PVC Vintage Collection seamlessly combines style, performance, and sustainability. Designed for long-lasting beauty, this premium decking resists fading, staining, and scratching, ensuring it maintains its natural wood-like appearance for years with minimal upkeep. Made in the USA with approximately 60% recycled content, it offers a more eco-friendly alternative to traditional wood, while its Class A Flame Spread Rating, WUI Compliance, and Ignition Resistant designation reflect its top-rated fire resistance—giving homeowners in fire-prone areas added peace of mind.

"We are incredibly proud to receive this recognition from the experts at Good.Housekeeping, a trusted name in quality and innovation," said Sam Toole, Chief Marketing Officer for AZEK. "TimberTech Advanced PVC Decking not only outperforms traditional wood in durability, maintenance and sustainability, but its design is crafted to offer unparalleled beauty. With rich, natural-looking finishes that capture the warmth and texture of real wood, homeowners can enjoy an outdoor space that is as stunning as it is enduring. This collection reflects our commitment to creating sustainable, long-lasting alternatives to wood without compromising on aesthetic appeal. It's the perfect blend of form and function, allowing outdoor spaces to remain beautiful for decades to come."

About The AZEK® Company

The AZEK Company Inc. (NYSE: AZEK) is the industry-leading designer and manufacturer of beautiful, low maintenance and environmentally sustainable outdoor living products, including TimberTech® Decking and Railing, Versatex® and AZEK® Trim, and StruXure® pergolas. Consistently awarded and recognized as the market leader in innovation, quality, aesthetics and sustainability, our products are made from up to 85% recycled material and primarily replace wood on the outside of homes,

providing a long-lasting, eco-friendly, and stylish solution to consumers. Leveraging the talents of its approximately 2,000 employees and the strength of relationships across its value chain, The AZEK Company is committed to accelerating the use of recycled material in the manufacturing of its innovative products, keeping hundreds of millions of pounds of waste and scrap out of landfills each year, and revolutionizing the industry to create a more sustainable future. The AZEK Company has recently been named one of America's Climate Leaders by USA Today, a Top Workplace by the Chicago Tribune and U.S. News and World Report, and a winner of the 2024 Real Leaders® Impact Awards. Headquartered in Chicago, Illinois, the company operates manufacturing and recycling facilities in Ohio, Pennsylvania, Idaho, Georgia, Nevada, New Jersey, Michigan, Minnesota and Texas.
